

## FOR IMMEDIATE RELEASE

### **VJ Electronix Adds Pacwest Associates to its North American Sales Channel**

*March 2015 — VJ Electronix, Inc., the leader in rework technologies and global provider of advanced X-ray inspection systems, is pleased to announce that it has appointed Pacwest Associates LLC as its exclusive manufacturers' representative for the Northwest US Region.*

Pacwest will represent VJ Electronix' complete product line in Washington, Oregon, Idaho and Utah. Headquartered in Maple Valley, WA, Pacwest has a team dedicated to helping its customers make the right decision. With decades of experience, Pacwest also offers installation, training and options for extended warranties.

According to Pacwest President Tom Flynn, "Our strategy is to provide top-of-the-line products coupled with superior support from pre- sale to end of life. VJ Electronix rework and X-ray systems are a great addition to our lines of industry-leading equipment."

VJ Electronix, with 20 years of experience in the electronics industry, has a complete range of machines used in different fields wherever a high technology level is required, e.g. military, medical, NDT, etc. The appointment of Pacwest is a key step in the company's strategic efforts to raise its profile in the domestic market.

Pacwest Associates represents many equipment options for surface mount and through-hole assembly. For more information about Pacwest's products and services, contact Tom Flynn, President, at (206) 853-5050 or on the Web at [www.pacwestsales.com](http://www.pacwestsales.com).
